Dear Sir/Madam,

PROPOSED RENEWAL OF EXISTING RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

1. INTRODUCTION

At the Company's 25th AGM held on 29 November 2024, the Company had obtained the Shareholders' Mandate for the Group to enter into RRPT on terms not more favourable to the Related Party than those generally available to the public and on terms not to the detriment of the minority shareholders.

This approval shall lapse at the conclusion of the forthcoming 26th AGM which will be held on 27 November 2025, unless the renewal of the Shareholders' Mandate is obtained at the said AGM.

On 7 October 2025, the Board announced that KOTRA is proposing to seek shareholders' approval for the Proposed Shareholders' Mandate at the 26th AGM of the Company to be held on Thursday, 27 November 2025.

The purpose of this Circular is to provide you with the relevant details, rationale and financial effects of the Proposed RRPT and to seek your approval for the resolution to be tabled at the forthcoming 26th AGM of the Company. The Notice of the 26th AGM, together with the Form of Proxy, is set out in the 2025 Annual Report of the Company, which is available on the Company's website together with this Circular.

AS KOTRA SHAREHOLDERS, YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED SHAREHOLDERS' MANDATE.

- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where:

 - (ii) the percentage ratio of such RRPT is 1% or more,whichever is the higher;
- (c) the Circular to shareholders for the Shareholders' Mandate includes the information as may be prescribed by Bursa Securities;

An interested Director or interested Major Shareholder must ensure that persons connected with him abstain from voting on the resolution approving the mandate; and

2.5 Review Procedures for RRPT

To ensure that the Proposed Shareholders' Mandate is based on normal commercial terms consistent with the Group's usual business practices and policies, and on terms not more favourable to the Related Party than those generally available to the public, and not to the detriment of minority shareholders, the Group undertakes the following review procedures:-

- (a) The sale and purchase of products or services shall be determined based on prevailing rates/prices of the products or services (including, where applicable, preferential rates/prices/bulk discounts accorded to classes of customers) according to their usual commercial terms, business practices and policies. The transaction prices for the sale and purchase of products are determined by comparing the selling prices to non-related customers and quotations from local suppliers and the quality and delivery service as well as the feedback from sales and purchasing personnel on the indicative pricing.

The rate of rental of properties shall be based on the prevailing market rates for the same or similar properties and shall be on normal commercial terms at the point of entering into the tenancy agreement(s) or upon renewal.

- (b) The Group shall maintain records to record all RRPT entered into pursuant to the Proposed RRPT to ensure that relevant approvals have been obtained.
- (c) The Audit Committee shall review the RRPT on a quarterly basis to ensure that they are transacted on terms and conditions, which are not more favourable to the Related Party than those generally available to the public or non-related customers and are not to the detriment of minority shareholders in the light of the circumstances concerned. In the event the established procedures are not sufficient to ensure that the RRPT will be conducted on normal commercial terms and/or the RRPT are detrimental to minority shareholders of KOTRA, the Company will obtain a fresh mandate from shareholders based on the new guidelines and procedures.
- (d) Based on its review of the RRPT, the Audit Committee has the responsibility of reporting the same to the Board.
- (e) A member of the Board or Audit Committee who has an interest, direct or indirect, in the RRPT, shall declare his interest in the RRPT and abstain from any participation and deliberation in decision of the Board or Audit Committee on the said transactions.
- (f) The Company's Annual Report shall disclose a breakdown of the aggregate value of all RRPT conducted pursuant to the Proposed Shareholders' Mandate during the financial year and, amongst others, based on the type of RRPT made and their relationship with the Company, to which the Annual Report relates, for so long as the Shareholders' Mandate remains in force.

At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of produces/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the Audit Committee, in its review of the RRPT may, as it deems fit and whenever available, request for additional information pertaining to the transactions from independent sources or advisers.

2.5 Review Procedures for RRPT (cont'd)

There are no specific thresholds for approval of the RRPT. However, the guidelines for the relevant approving authority practised by the Company in relation to RRPT are as follows:-

- i. The Senior Finance Manager (not being a person connected to the Related Party) is designated by the Audit Committee to review the day-to-day transactions to satisfy that the transactions are those which have been approved by the Shareholders' Mandate, are based on normal terms consistent with the Group's usual business practices and policies and in accordance with paragraph 2.5.
- ii. The Senior Finance Manager shall table all RRPT entered into by the Group to the Audit Committee for review on a quarterly basis together with an analysis of transactions with non-related parties or quotations from local suppliers, where relevant, to justify approval of the transactions.
- iii. In the event the Senior Finance Manager is not satisfied that an RRPT presented for the approval is one which meets the criteria set out in paragraph (i) above, he/she shall immediately contact the Audit Committee Chairman who has the discretion to call for an Audit Committee meeting to deliberate this matter.
- iv. In the event the Audit Committee is of the opinion that the above established procedures are not sufficient and/or the established procedures are not sufficient to ensure that the RRPT will be conducted on normal commercial terms and/or the RRPT are detrimental to minority shareholders of KOTRA, the Company will obtain a fresh mandate from shareholders based on the new guidelines and procedures.

2.6 Validity Period of the Proposed RRPT

If approved at the forthcoming 26th AGM, the Proposed Shareholders' Mandate will take effect from the passing of the ordinary resolution relating thereto at the AGM and will continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the forthcoming 26th AGM at which the Proposed RRPT is passed, at which time it will lapse, unless by a resolution passed at such general meeting whereby the authority is renewed;
- (b) the expiration of the period within which the next AGM of the Company subsequent to the date it is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extensions as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the shareholders in a general meeting, before the next AGM;

whichever is the earliest.

2.7 Disclosure

The Company's Annual Report 2026 shall disclose the breakdown of the aggregate values of the Proposed RRPT conducted for the year ending 30 June 2026 based on the nature of the transactions made and the names of the Related Parties involved in each type of the RRPT made and their relationship with the Group.

3. STATEMENT BY THE AUDIT COMMITTEE

The Audit Committee of KOTRA has seen and reviewed the terms of the Proposed Shareholders' Mandate and, save for Mr. Piong Chee Kuan who is deemed connected to the Related Parties, as highlighted in section 6 below and thus abstained in any deliberations or voting on this matter, is satisfied that the guidelines and procedures, mentioned in section 2.5, are sufficient to ensure that such transactions will be carried out on normal commercial terms which are not prejudicial to the interest of shareholders, and that the terms of the Proposed Shareholders' Mandate are not more favourable to the Related Parties than those generally available to the public and the Proposed Shareholders' Mandate are not detrimental to minority shareholders of KOTRA.

In addition, the Audit Committee reviews the procedures and processes to monitor, track and identify the RRPT in a timely and orderly manner on a yearly basis or as and when required. The Audit Committee is satisfied that adequate procedures and processes have been put in place by the Group to monitor, track and identify RRPT in a timely and orderly manner. The Audit Committee also reviews the Proposed RRPT on a quarterly basis.

4. RATIONALE AND BENEFITS

The Proposed Shareholders' Mandate entered into by the Group with the Mandated Related Parties covers transactions that are entered in the ordinary course of business. They are recurring transactions of revenue or trading nature, which are likely to occur with some degree of frequency and may arise at any time and from time to time. Thus, it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such related party transactions. As such, the Board is seeking a Shareholders' Mandate pursuant to Paragraph 10.09(2) of the Listing Requirements for the RRPT made on an arm's length basis and on normal commercial terms, which are not prejudicial to the interests of shareholders.

With the shareholders' approval on the Proposed Shareholders' Mandate, the need to convene separate general meetings from time to time to seek shareholders' approval, when such RRPT occur, shall be eliminated. This will substantially reduce administrative time, inconveniences and expenses associated with the convening of such meetings while allowing the Group to channel such resources towards attaining corporate objectives and business opportunities available to the Group.

The benefits of transacting with the Mandated Related Parties are as follows:-

(a) Sales of KPM's products to KOT

KOT is an established company in the trading of medicinal products, herbs and foodstuff. Furthermore, KOT is a wholesaler for some of the Group's products, comprising mostly of Appeton range of health supplements and Creobic Cream. Apart from that, KOT also distributes KPM's sunset products that were developed in the past but are no longer the focus products of KPM. KOT has a strong distribution network with various Chinese Medicinal Halls in the country and these existing customers prefer to deal with KOT which is their long-term business partner. As such, appointing KOT as distributor for the wholesaler channel will contribute to KOTRA Group's sales and profitability. The selling prices and other terms and conditions extended to KOT are not more favourable than those extended to the Group's non-related customers.

(b) Contract manufacturing and repackaging of KPM's goods by Lonnix

Lonnix is an established manufacturer and trader of pharmaceutical and health related products. Lonnix possesses the ability and equipment necessary to manufacture and repackage some of KPM's products.

The Group will benefit from the convenience of having Lonnix's plant at close proximity to KPM's plant where both plants are located in the Cheng Industrial Estate. At the same time, KPM will be assured of good services at competitive rates by outsourcing the manufacturing of this range of products to Lonnix.

4. RATIONALE AND BENEFITS (cont'd)

(c) Rental of premises as hostel for KPM's staff

The rented premises used as hostel are situated in Taman Cheng Baru, which is near to KPM's factory in Cheng Industrial Estate. This location makes it a convenient place to accommodate the staff of KPM as it is generally easy for them to make their way to work and back.

(d) Sales of KPM's products to Quanweili

Quanweili is a wholesaler trading in medicinal products, herbs and foodstuff. Furthermore, Quanweili focuses mainly in the cash van sales distributing to the lower trade and rural areas which are not covered by KPM. Quanweili has a strong distribution network in these areas. Apart from that, Quanweili also distributes KPM's sunset products that were developed in the past but are no longer the focus products of KPM. As such, sales of KPM's products to Quanweili will contribute to KOTRA Group's revenue and profitability. The selling prices and other terms and conditions extended to Quanweili are not more favourable than those extended to the Group's non-related customers.

(e) Rental of Sales and Marketing Office Premises (Bangsar South)

This proposed unit in Bangsar South is approximately 13,900 sq. feet and large enough to accommodate the whole team in one (1) floor. This will create a conducive working environment for the sales and marketing team.

Moreover, it is strategically located at the heart of business hubs which is considered a prime location. This is much needed in line with the Group's expansion into the global market. It will give confidence to potential business partners. It is also more convenient and accessible to the Group's customers, business partners and staff.

5. FINANCIAL EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate will not have any material effect on the share capital, net assets, working capital, earnings and dividend of the Group, and the Major Shareholders' shareholdings in our Company, and is not expected to be any different from similar transactions with non-related parties.

6. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

The direct and indirect interests of all Directors and Major Shareholders of KOTRA, and/or persons connected to them in respect of the Proposed RRPT, as at the latest practical date based on the records of the Register of Directors' Shareholdings and Register of Substantial Shareholders' Shareholdings as at 30 September 2025 are as follows:-
