To all our consumers,

Re: NOTIFICATION OF PRODUCT RECALL.

Product Name : Axcel Iridin Linctus & Axcel Iridin Plus Linctus
Product Registration No. : MAL09020970AZ & MAL09051551AZ
Batch Number : *Please refer below.*

The National Pharmaceutical Regulatory Agency (NPRA) has issued a directive to all product registration holders to immediately recall medicines containing pholcodine. This recall has been put in place by NPRA due to an increased risk of anaphylactic reactions during general anaesthesia involving neuromuscular blocking agents (NMBAs).

As such, Kotra Pharma is initiating product recall for the abovementioned products with batch numbers as below:

| Product Name | Batch Number |
|---------------------------|---|
| Axcel Iridin Linctus | B2111024, B2112006, B2112054, B2205014, B2206060, B2210048 |
| Axcel Iridin Plus Linctus | B2202006, B2205062 |

We have notified all distribution points (clinics, pharmacies & hospitals) through our medical representatives on this product recall. Consumers who have purchased this recalled product should discontinue the use immediately and return the product to the point of purchase.

Consumers having any other concerns on this product recall should contact Kotra Pharma on our Customer Support Line 1800-18-8811 (8am – 6pm Malaysia Time).
